This list is to give you an idea of what will be needed if you are using Guest Hollow's Whirlwind World History Curriculum, along with some helpful tips and other information. For details about the curriculum itself, please click here. Thank You, The Guest Family © Guest Hollow, LLC Literature-based history that's engaging and fun! In order to use Guest Hollow's Whirlwind World History Curriculum, you will need to obtain the scheduled books and other items separately. You may be able to borrow many for FREE from your local library! Check out the F.A.Q. below for tips on how to save money when using a literature-based curriculum. The printable version of the book ist features: The ISBN number and author's nameYou can make sure your copy of the book matches the one in the schedule. Notification of when each book or item is usedYou can make sure your copy of the book ist features. are marked "multiple weeks," so you can decide whether you want to purchase them vs. borrow them. Checklists for planning handy checklists for planning hand order of importance to help you choose which books you need the most and which can potentially be skipped. Consumable, so you'll know what you may need to purchase and how many copies you may want to get if you are using the curriculum with multiple students. Keep scrolling to see the full online book list (below the F.A.Q. on this page). We've scheduled in lots of colorful, fact-filled, interesting and engaging books for this year's world history study! Before taking a look, We've addressed some common questions: Warning! Preview all materials! I strongly recommend you preview all items to see if they are appropriate for your student. Every family is different in what they find offensive! Additional notes about some of the books are in the descriptions below. Additional notes about some of the books are in the descriptions below. Additional notes about some of the books are in the descriptions below. Additional notes about some of the books are in the descriptions below. description: This book is referenced in the curriculum workbook. Those books are referenced in the FREE PDF workbook that is included with your world history EREE Online TextbookThis is the "\*spine book" for Whirlwind World History. It has lots of embedded videos, maps, and illustrations to help history make sense and stick! This book is referenced in the curriculum workbook.\* A spine book is the "backbone" of a study. The History Book: Big Ideas Simply Explained\* Scheduled, optional reference book "Travel thousands of years into our past and discover the significant events that shaped the world as we know it. This book includes short, descriptive explanations of key ideas, themes, and events of world history that are easy to understand. Explore topics such as the founding of Baghdad, the colonization of the Americas, and the inception of Buddhism without complicated jargon." History of the World Map by Map\*Scheduled, optional reference book! LOVE how this book illustrates history with maps and timelines. It helps you visualize what was going on where and when. It's a hefty, big, beautiful book that gives you a good overview of world history. There are 140 colorful maps combined with timelines for main world events from prehistory through modern times. There is also a 75-page timeline in the back illustrated with photos, paintings, and items. Even if your student doesn't read every word, the maps alone are worth buying this book to have on your homeschool shelf as a reference bookAn older version of this book is available to check out free at the online openlibrary.org. Click here. Students don't need to read all the text in this book. It's scheduled so that they can browse the pictures and associate the various objects with the different cultures. This book is a visual treat! There is also a bonus timeline in the back. "Objects speak volumes about a civilization, telling us how our ancestors lived - as well as what they believed in and valued. A bronze cat mummy shows us how highly the ancient Egyptians valued their feline companions, while a mechanical tiger toy tells the story of rising tensions between an Indian sultan and European colonizers. With stunning, exclusive photography, History of the World in 1000 Objects shows you the objects that our ancestors treasured - from the jewelry worn by the Mesopotamians to the prized ritual vessels used by the people of the Shang Dynasty - and gives you insight into what gave each culture its own identity. From astrolabes and airplanes to vacuum cleaners and X-rays, DK uses its hallmark visual style to weave the extraordinary legacy of our creativity into a unique view of world history that will change the way you see the objects all around us." Note: There is mention that Samuel Pepys wrote about his sex life in his diary, but no details are given. Anne Lister's diary discusses her same sex attraction (no sexual details). The Goncourt Journal mentions prostitutes (no details). Page 242 mentions how the movie director Derek Jarman made movies that celebrated gay culture. Remarkable Diaries: The World's Greatest Diaries, Journals, Notebooks, & Letters\*Scheduled, optional reference book."Travel back in time and witness both everyday life and great moments in history in this fascinating compilation of diaries through the ages. Arranged chronologically, Remarkable Diaries takes you into the pages of the world's greatest diaries, notebooks, and letters, including those of Samuel Pepys, Henry-David Thoreau, the Goncourt brothers, Virginia Woolf, and Anne Frank. Stunning reproductions of the original notebooks and manuscripts are complemented by extracts and quotations, and illustrated features set the diaries in their cultural and historical context."Note: There is a woman. On p. 361 (in the pop art section) There is a scantily clad woman. Art That Changed the World: Transformative Art Movements and the Paintings That Inspired Them\*Scheduled in so that they can get art exposure, clothing, styles, etc. from various time periods throughout history. Artworks are presented in a timeline format. "This beautiful book brings you the very best of world art from cave paintings to Neoexpressionism. Enjoy iconic must-see works, such as Leonardo da Vinci's Last Supper and Monet's Waterlilies and discover less familiar artists and genres from all parts of the globe. Art That Changed the World covers the full sweep of world art, including the Ming era in China, and Japanese, Hindu, and Indigenous Australian art." Battles that Changed History \*Scheduled, optional reference book "Discover the stories behind more than 90 of the world's most significant battles in this lavishly illustrated history book. The most important battles ever to take place are brought to life in the most spectacular way. From the brutal battle of Gettysburg to the epic air-sea battle of Midway, find out how fateful decisions led to glorious victories and crushing defeats. Journey through the battlefields of history and follow the key developments of World War I, the Cold War and more in unprecedented visual detail. Using maps, paintings, artifacts and photographs, Battles That Changed History is a guided tour of every major conflict in history. Explore the stories behind more than 90 important battles and discover how pivotal moments and tactical decisions have altered the course of history. From medieval clashes and great naval conflicts to the era of high-tech air battles, key campaigns are illustrated and analyzed in detail. Learn incredible facts about the weapons, armor, soldiers and military strategies behind some of the greatest battles ever. This reference book includes profiles of famous military leaders like Alexander the Great, Napoleon and Rommel. See how kingdoms and empires have been won and lost on the battlefield. Go into the thick of combat at the Great Siege of Malta, the Battle of Stalingrad and the icy waters of Dunkirk. It is the ultimate guide to the history of military conflict."The Mode in Costume: A Historical Survey with 202 Plates (Dover Fashion and Costumes)\*Scheduled, optional reference bookThis book is available to check out for free via openlibrary.org. Click here. If your student likes this book, there are others in the series like The Mode in Footwear. "The pursuit of style has prompted centuries of dramatic change in fashion—and author R. Turner Wilcox researched and documented it all in this completely comprehensive volume. From the togas of ancient Rome to the gorgeous gowns of Dior, this lavishly illustrated, thoroughly researched treasury examines men's, and children's clothing — plus accessories — from 3000 B.C. to 1958."The Elements of a Home: Curious Histories behind Everyday Household Objects, from Pillows to ForksThis book is available to check out for free on Hoopla. Check if your library has a free subscription. It's also available on Scribd (get 60 days for free when you join via our link). "With tales from the kitchen, the bedroom, and every room in between, these pages expose how napkins got their start as lumps of dough in ancient Greece, why forks were once seen as immoral tools of the devil, and how Plato devised one of the earliest alarm clocks using rocks and water—plus so much more. Readers discover tales from locations all over the world, including Europe, Asia, North America, and Africa. Amy Azzarito has crafted an engaging, whimsical history of the household objects you've never thought twice about." Multiple time periods and locations, nonfictionNote: This book mentions breastfeeding. Milk!: A 10,000-Year Food FracasStudents will NOT read this entire book. We only schedule in the first four chapters. This book is available on Scribd. Click here (get 60 days for free when you join via our link). "Profoundly intertwined with human civilization, milk has a compelling and a surprisingly global story to tell, and historian Mark Kurlansky is the perfect person to tell it. Tracing the liquid's diverse history from antiquity to the present, he details its curious and crucial role in cultural evolution, religion, nutrition, politics, and economics."Ancient Mesopotamian mythology (Sumerian poems) written during the late 2nd millennium BCE. Note: A prostitute is mentioned along with some sexual content (click here to see the specifics). There is a line about a man putting his hands on the breasts of a goddess. Gilgamesh: A Verse NarrativeThis book is available to check out for free via openlibrary.org. Click here. Gilgamesh is an epic poem written in ancient Mesopotamia and is known as the earliest surviving notable literature. It was composed sometime around 2100-1200 BCE). Some of the best copies were discovered in the library ruins of the 7th-century BCE Assyrian king Ashurbanipal. This is a fantastic translation of Gilgamesh! "National Book Award Finalist: The most widely read and enduring interpretation of this ancient Babylonian epic. One of the oldest and most universal stories known in literature, the epic of Gilgamesh presents the grand, timeless themes of love and death, loss and reparations, within the stirring tale of a hero-king and his doomed friend. A National Book Award finalist, Herbert Mason's retelling is at once a triumph of scholarship, a masterpiece of style, and a labor of love that grew out of the poet's long affinity with the original." Chinese book written between 475 -221 BCEThe Art of War: A Graphic NovelThe Art of War: A Graphic No applied in the business arena where lessons are adapted to office politics and corporate strategy. The concepts from this book are also applied by lawyers, coaches, and others! "Hailed as the oldest philosophical discussion on military strategy, Sun Tzu's The Art of War has been adapted as a graphic novel by award-winning illustrator Pete Katz. In this collectible thread-bound edition, the narrative focuses on a teacher instructing a pupil on the main points of Sun Tzu's treatise, with vibrant battle scenes interspersed throughout. Issues such as planning, tactics, maneuvering, and spying are illustrated with full-color scenes, so that readers may gain a greater understanding of principles from the fifth century BC.""Ancient Egyptians, nonfictionHorrible Histories: The Awesome Egyptians An older version of this book is available free at openlibrary.org. Click here. An easy, but informative read. 1351 BCE, Egypt, fictionNote: There are a few instances where characters "make love" but no intimate details are given (See pages 67, 297, and 339.). is a miscarriage, some violence (poisoning, etc.), and deaths due to the plague (but not much in the Way of gruesome details). Middle school substitutions for this book: Mara, Daughter of the NileHittite Warrior God King: A Story in the Days of King Hezekiah The Golden BullTales of Ancient EgyptAny novel about ancient Egypt or Mesopotamia will work. Nefertiti: A Novel \*This book comes with a free reader's guide at the back with discussion questions. I also link to it in the schedule, in case you get an edition that doesn't have it. "Fast-paced and historically accurate, Nefertiti is the dramatic story of two unforgettable women living through a remarkable period in history. Nefertiti and her younger sister, Mutnodimet, have been raised in a powerful family that has provided wives to the rulers of Egypt for centuries. Ambitious, charismatic, and beautiful, Nefertiti is destined to marry Amunhotep, an unstable young pharaoh. It is hoped that her strong personality will temper the young ruler's heretical desire to forsake Egypt's ancient gods. Teeming with love, betrayal, political unrest, plague, and religious conflict, Nefertiti brings ancient Egypt to life in vivid detail. "Meticulously researched and richly detailed . . . an engrossing tribute to one of the most powerful and alluring women in history."-Boston Globe "Nonfiction, various time periods and placesMiddle school substitution for this book: Food Fight!: A Mouthwatering History of Who Ate What and Why Through the AgesConsider the Fork: A History of How We Cook and EatThis book is available to check out for free via openlibrary.org. Click here. It's also available on Scribd as an audiobook. Click here (get 60 days for free when you join via our link). "Since prehistory, humans have braved sharp knives, fire, and grindstones to transform raw ingredients into something delicious — or at least edible. But these tools have also transformed how we consume, and how we think about, our food. In Consider the Fork, award-winning food writer Bee Wilson takes readers on a wonderful and witty tour of the evolution of cooking around the world, revealing the hidden history of objects we often take for granted. Technology in the kitchen does not just mean the Pacojets and sous-vide machines of the modern kitchen, but also the humbler tools of everyday cooking and eating: a wooden spoon and a skillet, chopsticks and forks. Blending history, science, and personal anecdotes, Wilson reveals how our culinary tools and tricks came to be and how their influence has shaped food culture today. The story of how we have tamed fire and ice and wielded whisks, spoons, and graters, all for the sake of putting food in our mouths, Consider the Fork is truly a book to savor." Choose one of the following four options (in no particular order):Middle school substitutions for these books:The Tale of Gods and Heroes (which is one of the options below)D'Aulaires Book of Greek MythsGreek MythsGr (Option 4 in the list)Any children's book about the Trojan War, the Iliad & Odyssey, or Greek mythsOption 1:Mythos: (Ancient Greek Myths 1) Ancient Greek mythology, fictionThis book is available to check out for free on Hoopla. Check if your library has a free subscription. It's also available on Scribd. Click here (get 60 days for free when you join via our link). Note: The sensual/lusty nature of the gods is made apparent. Kronos cuts off his father's testicles and other gods rise up from the spilled semen they contained. There are a few comments such as "Poseidon spent almost all his time pursuing a perfectly exhausting quantity of beautiful girls and boys and fathering by the girls an even greater number of monsters, demigods, and human heroes - Percy Jackson and Theseus to name but two." There is infrequent cursing. Cygnus is briefly noted to be Phaeton's lover (both are males - there are no intimate details). There are other homosexual relationships mentioned without intimate details. This matches the original commentary of Virgil by Servius. The Erote Hermaphroditus is noted as being the protector of effeminate males, mannish females and those that are now called a more fluid gender (the footnotes talk about how the Greeks were comfortable with this, but the Romans were not). Hephaestus tries to force himself on Athena but is unsuccessful and spills semen on her thigh which she disgustedly wipes off (which then impregnates Gaia, the earth). There is other sexual content of a similar nature. Nudity is shown in classical art that illustrates the text. Because of these details, I wouldn't recommend this book for students under 15 or 16. You could use it as a read-aloud and skip any sexual references that may not be appropriate. I wouldn't just hand it over to a less mature student, but that's me. You know what's best for your student(s)! Otherwise, it's an entertaining book that is a humorous, detailed, and accurate (as in including some things some families will NOT be comfortable with) introduction to Greek mythology. "Here are the thrills, grandeur, and unabashed fun of the Greek myths, stylishly retold by Stephen Fry. The legendary writer, actor, and comedian breathes life into ancient tales, from Pandora's box to Prometheus's fire, and transforms the adventures of Zeus and the Olympians into emotionally retold by Stephen Fry. The legendary writer, actor, and comedian breathes life into ancient tales, from Pandora's box to Prometheus's fire, and transforms the adventures of Zeus and the Olympians into emotionally retold by Stephen Fry. The legendary writer, actor, and comedian breathes life into ancient tales, from Pandora's box to Prometheus's fire, and transforms the adventures of Zeus and the Olympians into emotionally retold by Stephen Fry. The legendary writer, actor, and comedian breathes life into ancient tales, from Pandora's box to Prometheus's fire, and transforms the adventures of Zeus and the Olympians into emotion and the O resonant and deeply funny stories, without losing any of their original wonder. Classical artwork inspired by the myths and learned notes from the author offer rich cultural context. Option 2: Circe \*A free reader's guide for this book is linked in the schedule. Ancient Greek mythology, fictionNote: There is a rape (not very graphic), violence, witchcraft (in a mythical sense), and some cursing in this book."A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the Odyssey as a hero in her own right" (Alexandra Alter, The New York Times). Option 3:Troy: The Greek Myths Reimagined (Stephen Fry's Greek Myths Book 3)13th century BCE, Trojan War, fictionNote: There are some non-graphic sexual references. Patroclus is noted as being Achilles' lover (quote: "Patroculs, Achilles' friend and sometime lover himself, liked and admired the young princess and did what he could to comfort and console her."). Rape is mentioned (no details). A quote about Zeus: "In order to have his way with beautiful girls, boys, nymphs, and sprites of one kind or another, the King of the Gods had transformed himself in many extraordinary ways..." There is violence and a few instances of cursing. Nudity is shown in classical art that illustrates the text. "Legendary author and actor Stephen Fry retells the tale of the Trojan War.In Troy, Stephen Fry takes the reader into the heart of a story both mythical and grounded in history. It is Zeus, king of the gods, who triggers war when he asks the Trojan prince Paris to judge the fairest goddess of them all. Aphrodite bribes Paris with the hand of Helen, wife of King Menelaus of the Greeks. A terrible, brutal war ensues, and the stage is set for the oldest and greatest story ever told. Illustrated throughout with a brilliant storyteller as your guide." Option 4: Mythology: Timeless Tales of Gods and Heroes, 75th Anniversary Illustrated Edition (Any edition of this book will work.) This is the "clean" version of Greek mythology, some Norse mythology, fictionAn older version of this book is available to check out for free via openlibrary.org. Click here. "This 75th anniversary edition of a classic bestseller is stunningly illustrated and designed to enchant fans of Greek, Roman, and Norse mythology at all ages. Since its original publication by Little, Brown and Company in 1942, Edith Hamilton's Mythology has sold millions of copies throughout the world and established itself as a perennial bestseller. For more than seven decades readers have chosen this book above all others to discover the enchanting world of mythology — from Odysseus's adventure-filled journey to the Norse god Odin's effort to postpone the final day of doom. "Ancient Greeks, nonfictionHorrible Histories: Groovy GreeksAn older version of this book is available to check out for free via openlibrary.org. Click here. An easy, but informative read. Multiple time periods, Celts, nonfictionThe Celts and All That "Myths, facts, and fascinating history about this legendary ancient culture, in a fun, illustrated volume for students." 137 CE, Rome, fiction with nonfiction quotes (primary source material) Note: This book has some sexual content (nothing too graphic) - The chapter "The Prostitute Finds a Client" is not scheduled.24 Hours in Ancient Rome: A Day in the Life of the People Who Lived ThereThis book is available to check out for free on Hoopla. Check if your library has a free subscription. It's also available on Scribd. Click here (get 60 days for free when you join via our link). This books is entertaining as well as informative. The part I like the best: the book's characters are based on real quotes, speeches, correspondence, and more from the people who actually lived in Rome at the time. "Walk a day in a Roman's sandals. What was it like to live in one of the ancient world's most powerful and bustling cities - one that was eight times more densely populated than modern day New York? In this entertaining and enlightening guide, bestselling historian Philip Matyszak introduces us to the people who lived and worked there. In each hour of the day we meet a new character - from emperor to slave girl, gladiator to astrologer, medicine woman to water-clock maker - and discover the fascinating details of their daily lives." Sometime around 50 400 CE, Europe, fictionOutcast \*A free teacher's guide for this book is linked in the schedule. This book is available on Scribd. Click here (get 60 days for free when you join via our link). You can also check it out for free via openlibrary.org. Click here. "From author Rosemary Sutcliff, author of the classic tale The Eagle of the Ninth, comes Outcast, the tale of an orphan boy in the ancient world. When a Roman ship is wrecked off the coast of Britain, an infant, Beric, is the only survivor, saved by members of a British tribe. They name him Beric and bring him up among them, until the time comes when they can ignore his ancestry no longer. Then Beric is cast out from the only home he has ever known and forced to find his one place in a treacherous world."44 BCE - 14 CE, Various parts of the world, fiction based on true eventsNote: I skip the few religious references in this book such as the sections on Jesus, Zoroaster, Buddha, etc. (they are not scheduled in). I am a Christian, but don't like what I personally believe are some inaccuracies in how things are quoted and/or presented. The other religions are covered more accurately via our geography curriculum. I focus on the secular history portions of the book only (and skip ALL religions mentioned). I do not consider this a religious or Christian book. Augustus Caesar's WorldThis book is available to check out for free via openlibrary.org. Click here. "In Augustus Caesar's World, Foster traces the seven major civilizations of Rome, Greece, Israel, Egypt, China, India, and Persia from 4500 B.C. to the time of Augustus Caesar's World, Foster traces the seven major civilizations of Rome, Greece, Israel, Egypt, China, India, and Persia from 4500 B.C. to the time of Augustus Caesar's World. timeframe readers will learn not only the stories of Julius Caesar, Cleopatra, and Marc Antony, but also the historian Livy and how Virgil came to write the Aeneid. Foster will then take her readers all over the world to learn what was happening at this same time in China, Persia, India and so on. Foster's detailed pen and ink drawings are fresh and appealing, and her illustrated timelines give a clear sense of chronology, enriching the engaging text"129-216 CE (and other time periods like the Middle Ages), Roman Empire, Galen (and medicine) Galen and the Gateway to Medicine \*A FREE study guide for this book is linked in the schedule. Since Galen's teachings were fundamental to medical beliefs for over 1000 years (especially concerning the body's "four humors"), I've included this book for a quick and informative read. "We know about Hippocrates, the Father of Medicine. But we owe nearly as much to Galen, a physician born in 129 A.D. at the height of the Roman Empire. Galen's acute diagnoses of patients, botanical wisdom, and studies of physiology were recorded in numerous books, handed down through the Middle Ages and Renaissance. Not least, Galen passed on the medical tradition of respect for life. In this fascinating biography for young people, Jeanne Bendick brings Galen's Roman world to life with the clarity, humor, and outstanding content we enjoyed in Archimedes and the Door to Science. "9th century England, Saxons & Danes, fictionThere are 13 (!) books in this series, so if your student likes this one, there is plenty more to read through. Note: This book contains descriptive violence, some cursing (not too frequent), and references to sex as well as rape (the sexual content is not too graphic or descriptive in my opinion). The main character is a pagan. I do NOT recommend the video series as a replacement for the book because of the nudity and sex (unless you are on hand with a fast forward button). That sort of content is toned down in the book compared to the video series. Middle school substitution: Raiders from the SeaGuts & Glory: The VikingsThe Last Kingdom (Saxon Tales Book 1) \*A free study guide for this book (written for high schoolers) is linked in the schedule. This book is available on Scribd. Click here (get 60 days for free when you join via our link). You can also check it out for free on Hoopla. Check if your library has a free subscription. "This is the exciting—yet little known—story of the making of England in the 9th and 10th centuries, the years in which King Alfred the Great, his son and grandson defeated the Danish Vikings who had invaded and occupied three of England's four kingdoms. The story is seen through the eyes of Uhtred, a dispossessed nobleman, who is captured as a child by the Danes and then raised by them so that, by the time the Northmen begin their assault on Wessex (Alfred's kingdom and the last territory in English hands) Untred almost thinks of himself as a Dane. He certainly has no love for Alfred, whom he considers a pious weakling and no match for Viking savagery, yet when Alfred unexpectedly defeats the Danes and the Danes themselves turn on Uhtred, he is finally forced to choose sides. By now he is a young man, in love, trained to fight and ready to take his place in the dreaded shield wall. Above all, though, he wishes to recover his father's land, the enchanting fort of Bebbanburg by the wild northern sea. This thrilling adventure—based on existing records of Bernard Cornwell's ancestors—depicts a time when law and order were ripped violently apart by a pagan assault that came very close to destroying England. "9th century, Vikings, nonfictionNote: There is a mild sexual reference (no graphic details) and some mentions of violence. The Viking Hondbók: Eat, Dress, and Fight Like a Warrior Learn what it was like to live as a Norseman in this fun and fascinating look at Vikings and the Vikings and the Vikings to Thor: Ragnarök, to the ever-expanding world of Viking LARP. Known for being skilled craftspeople, accomplished merchants, hardworking farmers, and masters of the sea, the Vikings were a compelling and entertaining guide exploring who the Vikings were and how they lived, from ancient Norse daily life to battles and adventuring. You'll learn how Vikings ate, dressed, and fought, and even how they weaved the perfect beard braid and built warships and weapons. Interspersed throughout are revealing historical anecdotes about Viking conquests, famous warriors, mythology and afterlife, and much more." Old English epic poem, unknown composure date, manuscript found dating to around 975, graphic novel format. Beowulf This book is available to check out for free via openlibrary.org. Click here. Beowulf is an Anglo-Saxon poem written around 700-1000 CE in the tradition of Germanic heroic legend.I really like this graphic novel adaptation of Beowulf. It captures the spirit of the original and uses text from the Francis Gummere translation. If your student wants to read Beowulf as a longer book (or listen to a free audio version) instead, see the unscheduled books list.1100s, Japan, nonfiction/biographyNote: There is violence in this book (a mention of seppuku - ritual suicide, battles, etc.) and a couple very mild PG sexual references. Samurai Rising: The Epic Life of Minamoto Yoshitsune \*A free discussion and activity guide for this book is linked in the schedule. This book is available on Scribd. Click here (get 60 days for free when you join via our link). You can also check it out for free on Hoopla. Check if your library has a free subscription. "Minamoto Yoshitsune should not have been a samurai in Japanese history. When Yoshitsune was just a baby, his father went to war with a rival samurai family and lost. His father was killed, his mother captured, and his surviving half-brother banished. Yoshitsune was sent away to live in a monastery. Skinny, small, and unskilled in the warrior arts, he nevertheless escaped and learned the ways of the samurai. When the time came for the Minamoto clan to rise up against their enemies, Yoshitsune answered the call. His daring feats and impossible bravery earned him immortality."Chose one of the following two options: Option 1:1485-1600s, England, nonfictionThe Tudors, A Very Peculiar HistoryThis book is available on Scribd. Click here (get 60 days for free when you join via our link). You can also check it out for free on Hoopla. Check if your library has a free subscription. An older version of this book is available to check out for free via openlibrary.org. Click here. This is an easy-to-read, quick overview of the Tudors that is stuffed with interesting tidbits. Note: This book mentions beheadings and executions (especially in chapter 3 under the section "Off with Their Heads") and the accusation of adultery (no graphic details). "The Tudors were an odd bunch, more odd than their subjects, perhaps. When they weren't beheading wives and enemies they were threatening to, or going around earning themselves nicknames like 'Bloody Mary' and 'The 9 Day Queen'. The Tudors: A Very Peculiar History tells the story of the Tudor monarchs, their castles, their lives and their subjects in a time when it was fashionable to slash up your clothes for that "fresh from battle" look, "Option 2: 1485-1600s, England, nonfiction Horrible Histories: Terrifying Tudors (newspaper edition) This book is available to check out for free via openlibrary, org. Click here. This is an easy-to-read, guick overview of the Tudors. Note: This book mentions beheadings and other similar facts. Fiction that incorporates Mesoamerican mythsNote: This book mentions beheadings and other similar facts. Fiction that incorporates Mesoamerican mythsNote: This book mentions beheadings and other similar facts. Fiction that incorporates Mesoamerican mythsNote: This book mentions beheadings and other similar facts. Fiction that incorporates Mesoamerican mythsNote: This book mentions beheadings and other similar facts. Fiction that incorporates Mesoamerican mythsNote: This book mentions beheadings and other similar facts. Fiction that incorporates Mesoamerican mythsNote: This book mentions beheadings and other similar facts. First book mentions beheadings and other similar facts. after kissing. The publisher says the reading age for this book is 12-17. The Seventh SunThis book is available to check out for free on Hoopla. Check if your library has a free subscription. "Rich in imagination and based on the legends and history of the Aztec and Maya people, The Seventh Sun brings to vivid life a world on the edge of apocalyptic disaster.""Mesoamerican mythology gets a long overdue epic fantasy treatment...Though debut author Forbes uses Aztec mythology as her inspiration, she takes poetic license with the actual history and geography of the Aztec empire...In the vein of Percy Jackson, take these wanderings from the source material with a grain of salt and simply enjoy the captivating story. A page-turning adventure that...highlights a rich and relatively unknown mythological heritage that begs to be explored." —Kirkus Reviews"Reading this book is like time-traveling to the Inca and Mayan empire. You are completely immersed in the culture with historical accuracy. Every moment puts you on the edge of your seat as you wait to see what the fate of Mayana and the other princesses will be as well as the Chicome people as their sun appears to be fading. I can't wait for the next book!" —Seattle Book ReviewBefore 1299-1620s, Aztecs, nonfictionNote: Human sacrifices and violence are mentioned. There is also mild sexual content (mention of multiple wives,

```
forced prostitution, etc. - no crude details). Middle school substitution for this book: History News: The Aztec NewsFifth Sun: A New History of the AztecsThis book is available on Scribd. Click here (get 60 days for free when you join via our link). You can also check it out for free on Hoopla. Check if your library has a free subscription. "In November
1519, Hernando Cortés walked along a causeway leading to the capital of the Aztec kingdom and came face to face with Moctezuma. That story-and the story of what happened afterwards-has been told many times, but always following the narrative offered by the Spaniards. After all, we have been taught, it was the Europeans who held the pens. But
the Native Americans were intrigued by the Roman alphabet and, unbeknownst to the newcomers, they used it to write detailed histories in their own language of Nahuatl. Until recently, these sources remained obscure, only partially translated, and rarely consulted by scholars. For the first time, in Fifth Sun, the history of the Aztecs is offered in all its
complexity based solely on the texts written by the indigenous people themselves. Camilla Townsend presents an accessible and humanized depiction of these native Mexicans, rather than seeing them as the exotic, bloodyfigures of European stereotypes. The conquest, in this work, is neither an apocalyptic moment, nor an origin story launching them as the exotic, bloodyfigures of European stereotypes.
Mexicans into existence. The Mexica people had a history of their own long before the Europeans arrived and did not simply capitulate to Spanish culture and colonization. Instead, they realigned their political allegiances, accommodated new obligations, adopted new technologies, and endured. This engaging revisionist history of the Aztecs, told
through their own words, explores the experience of a once-powerful people facing the trauma of conquest and locations, nonfictionNote: Older students (and fast readers) may want to try reading the adult version of this book
1493: Uncovering the New World Columbus Created. It is unscheduled. You can plug it in when the young people's version is scheduled. I did not make content notes for the adult version.1493 for Young People: From Columbus's Voyage to Globalization *A free discussion and activity guide for this book is linked in the schedule. This book is available
to check out for free on Hoopla. Check if your library has a free subscription. "1493 for Young People by Charles C. Mann tells the gripping story of globalization through travel, trade, colonization, and migration from its beginnings in the fifteenth century to the present. How did the lowly potato plant feed the poor across Europe and then cause the
deaths of millions? How did the rubber plant enable industrialization? What is the connection between malaria, slavery, and the outcome of the American Revolution? How did the fabled silver mountain of sixteenth-century Bolivia fund economic development in the flood-prone plains of rural China and the wars of the Spanish Empire? Here is the
story of how sometimes the greatest leaps also posed the greatest threats to human advancement. Mann's language is as plainspoken and clear as it is provocative, his research and erudition vast, his conclusions ones that will stimulate the critical thinking of young people. 1493 for Young People provides tools for wrestling with the most pressing
issues of today, and will empower young people as they struggle with a changing world."220-1912, China, graphic novels, nonfictionNote: The Way Forward: From Early Republic to People's Republic to People's Republic (1912-1949) (Understanding China Through Comics) will be published in 2022. I will schedule it in, when it's available. Division to Unification in
Imperial China: The Three Kingdoms to the Yuan Dynasty (220-907) Barbarians and the Birth of Chinese Identity: The Five Dynasty to the Qing Dynasty to the Qing Dynasty (1368-1912) This book is available on Scribd. Click here (get 60 days for free when you join via
our link). (Understanding China Through Comics Books 2-4)I like this series of graphic novels. They make the history of China visual and easy-to-digest. The first book is scheduled in Guest Hollow's Geography & Cultures Curriculum. "These graphic novels cover all the great Chinese dynasties, upheavals, population movements, uprisings, invastions,
and political alliances and rivalries that have produced the China we know today."The history of various drugs/medicinesNote: Chapter 3 mentions a date rape drug (which is, in my opinion, a good opportunity for a discussion). Chapter 3 mentions a date rape drug (which is, in my opinion, a good opportunity for a discussion).
Medicine*Exploring the History of Medicine is a Christian book. Ten Drugs: How Plants, Powders, and Pills Have Shaped the History of MedicineThis book is available to check out for free on Hoopla. Check if your library has a free subscription. "Behind every landmark drug is a story. It could be an oddball researcher's genius insight, a catalyzing
moment in geopolitical history, a new breakthrough technology, or an unexpected but welcome side effect discovered during clinical trials. Piece together these stories, as Thomas Hager does in this remarkable, century-spanning history, and you can trace the evolution of our culture and the practice of medicine. "Choose one of the following 3
options:Option 1: The Language of Fire: Joan of Arc Reimagined1400s, Joan of Arc and France, the Hundred Years' War, fiction (novel in verse)This book contains: violence and mild sexual references. Rape is mentioned as a possible threat (no
details). "The Language of Fire is a lyrical, dark, and moving look at the life of Joan of Arc, who as a teen girl in the fifteenth century commanded an army and helped crown a king of France. This extraordinary verse novel from award-winning author Stephanie Hemphill dares to imagine how an ordinary girl became a great leader, and ultimately saved
a nation. Jehanne was an illiterate peasant, never quite at home among her siblings and peers. Until one day, she hears a voice call to her, telling her she is destined for important things. She begins to understand that she has been called by God, chosen for a higher purpose—to save France. Through sheer determination and incredible courage,
Jehanne becomes the unlikeliest of heroes. She runs away from home, dresses in men's clothes, and convinces an army that she will lead France to victory. As a girl in a man's world, at a time when women truly had no power, Jehanne became a fearless
 warrior who has inspired generations."Option 2:Messenger: The Legend of Joan of Arc 1400s, Joan of Arc and France, the Hundred Years' War, graphic novel Creators Tony Lee and Sam Hart present a dynamic retelling of the heroic and tragic tale of
Joan of Arc.It is 1424. France and England have been fighting for more than a hundred years, and Jehanne D'Arc experiences her first saintly vision. Even her parents think she's delirious—until her next vision allows them to save the village. From a small town to the besieged city of Orleans and on to the cathedral of Reims, Joan follows her faith and
leads the French to victory after victory. But not everyone believes in the divine voices she hears. Some call her a heretic and want her burned at the stake. From the creators of Outlaw: The Legend of Robin Hood and Excalibur: The Legend of Robin Hood and Excaliburation Hood a
country, her enemies' deadly arrows, and her own fears, to become a heroine whose name would be remembered for centuries to come. Option 3:1200s, England, fiction based on real eventsThe Magna ChartaThis book is available to check out for free via openlibrary.org. Click here. You can also check it out for free on Hoopla. Check if your library
has a free subscription. "It was Ben Franklin who coined the phrase, "Rebellion to tyrants is obedience to God," and if any historical drama fulfills that maxim, it is surely the saga of King John and the drafting of the Magna Charta. Out of the rich turbulence of English history, June 15, 1215 stands apart as a significant milestone in the progress of
human liberty. On that day, a brave band of barons, led by the noble Stephen Langton, and calling themselves the Army of God, stood up to the wicked King John and demanded that he restore the ancient laws of England that he had so unabashedly trampled underfoot. The era is a rollicking one filled with colorful characters like Robin Hood and his
Merry Men, Richard the Lionheart, Queen Eleanor of Aquitaine, and many more. Newbery and Caldecott medal-winner James Daugherty brings his own passion for freedom, what he calls the "Children of the
Magna Charta", demonstrating how liberty has progressed over the ages. "Stories compiled during the 1800s, based on old folk stories (some of the stories. The Original Folk and Fairy Tales of the Brothers Grimm: The Complete First Edition*A free study
guide for this book is linked in the schedule. This book is available on Scribd. Click here (get 60 days for free when you join via our link). It's also available to check out for free on Hoopla. Check if your library has a free subscription. Students will read selections from this book when learning about Romanticism during the early 1800's (they will not
read the entire book -some may want to, though!). The Grimm brothers were the quintessential Romantics like them believed that nations had spirits, which were invested with the core identity of their "people." The point of the Grimm brothers' work was reaching back into the remote past to grasp the "essence" of what
it meant to be "German." At the time, there was no country called Germany, and yet romantic nationalists like the Grimms believed that there was a kind of German soul that lived in old folk songs, the German language, and German traditions. They worked to preserve those things before they were further "corrupted" by the modern world. "Zipes,
who edited and translated the new collection, has done splendid work, first in arguing for the early tales' significance. . . . Zipes' most important achievement, though, is simply putting the complete, uncensored tales before readers to judge for themselves. . . . The Original Folk and Fairy Tales—beautifully illustrated by Andrea Dezsö, by the
way—isn't the Disneyfied version of the Brothers Grimm that we all grew up with. But for readers whose tastes lean more to, say, Tim Burton, wading into the collection might feel like stumbling into an agreeably dark and Gothic forest."—Doug Childers, Richmond Times-DispatchHaitian Revolution, 1791-1804, graphic novelNote: Violence is
portrayed in a graphic novel format. Blades of Freedom (Nathan Hale's Hazardous Tales #10): A Tale of Haiti, Napoleon, and the Louisiana PurchaseThis book is referenced in the curriculum workbook. This book is available to check out for free on Hoopla. Check if your library has a free subscription. "Discover the story of the Haitian Revolution—the
largest uprising of enslaved people in history—in this installment of the New York Times bestselling graphic novel series Why would Napoleon Bonaparte sell the Louisiana Territory to the recently formed United States of America? It all comes back to the island nation of Haiti, which Napoleon had planned to use as a base for trade with North
America. While Napoleon climbed the ranks of the French army and government, enslaved people were organizing in Haiti under the leadership of François Mackandal, Dutty Boukman, Jean-Jacques Dessalines, and Touissant L'Ouverture, who in 1791 led the largest uprising of enslaved people in history—the Haitian Revolution."1795-1810, England,
fictionPride and Prejudice*A free teacher's guide and a study guide for this book is linked in the schedule. Any version of the unabridged book will do. I used the cover for this version here, because I think it's pretty, lol. Make sure you are getting the classic book and not the Pride and Prejudice Zombies book. ©This book is available on Scribd. if your library has a free subscription. "Immerse yourself in the vanished world inhabited by Austen's contemporaries up all aspects of Austen's birth, to the coronation of George IV in 1820. Sue Wilkes skillfully conjures up all aspects of
daily life within the period, drawing on contemporary diaries, illustrations, letters, novels, travel literature, and archives. Were all unmarried affluent men really "in want of a wife"? Where would a young lady seek adventure? Would "taking the waters" at Bath and other spas kill or cure you? Was Lizzy Bennet bitten by bed-bugs while traveling? What
would you wear to a country ball or a dance at Almack's? Would Mr. Darcy have worn a corset? What hidden horrors lurked in elegant Regency houses? "A delight. I don't think I've ever read a book that paints such a vivid picture of daily life in late 18th and early 19th century England. It makes a perfect companion for Austen's beloved novels." —The
Heritage Traveller"Mid to late 1800s, England, nonfictionNote: This book has some frank discussions about sex in chapter 15 (the last chapter is also a sentence about how some sick adults were fed by a woman directly from her breast and that this was an old and accepted nursing
technique (p. 274). Sanitary napkins are discussed at the end of chapter 1. Page 73 has a drawing of a nude female's torso to show how a corset affected the waist. How to Be a Victorian Life This book is available on Scribd. Click here (get 60 days for free when you join via our link). It's also available to check out
for free on Hoopla. Check if your library has a free subscription. Students will NOT read this entire book (it's over 400 pages and fairly detailed). Instead, they are encouraged to browse and read the parts that interest them beyond what is scheduled (but please read the note below the book cover to the left before handing it over). "Lauded by
critics, How to Be a Victorian is an enchanting manual for the insatiably curious, the "the cheapest time-travel machine you'll find" (NPR). Readers have fallen in love with Ruth Goodman, an historian who believes in getting her hands dirty. Drawing on her own firsthand adventures living in re-created Victorian conditions, Goodman serves as our
bustling guide to nineteenth-century life. Proceeding from daybreak to bedtime, this charming, illustrative work "imagines the Victorians as intrepid survivors" (New Republic) of the most perennially fascinating era of British history. From lacing into a corset after a round of calisthenics to slipping opium to the little ones, Goodman's account of
Victorian life "makes you feel as if you could pass as a native" (The New Yorker). 131 illustrations."1853-1854, Japan, manga, nonfictionNote: Violence is portrayed in a graphic novel format. Black Ships: Illustrated Japanese History-The Americans Arrive"On the 14th of July, 1853, the USS Plymouth, Mississippi, Saratoga, and Susquehanna sailed into
Yokosuka, Japan. The mysterious "Black Ships" had arrived. In this stirring account of a pivotal moment in modern Japanese history, award-winning author and illustrator team Sean Michael Wilson and Akiko Shimojima tell the story of the four American "Black Ships" that arrived in Japanese history, award-winning author and illustrator team Sean Michael Wilson and Akiko Shimojima tell the story of the four American "Black Ships" that arrived in Japanese history, award-winning author and illustrator team Sean Michael Wilson and Akiko Shimojima tell the story of the four American "Black Ships" that arrived in Japanese history, award-winning author and illustrator team Sean Michael Wilson and Akiko Shimojima tell the story of the four American "Black Ships" that arrived in Japanese history, award-winning author and illustrator team Sean Michael Wilson and Akiko Shimojima tell the story of the four American "Black Ships" that arrived in Japanese history, award-winning author and illustrator team Sean Michael Wilson and Akiko Shimojima tell the story of the four American "Black Ships" that arrived in Japanese history, award-winning author and arrived in Japanese history, award-winning author and arrived in Japanese history, award-winning author and arrived in Japanese history and arrived in Japanese history and arrived in Japanese history are also a start and a start arrived in Japanese history are also and a start arrived in Japanese history are also a start are also and a start are also a start are a
Japan to open up to trade. The book compellingly portrays the apprehension and confusion of the Japanese people witnessing the Black Ships steaming into view over the horizon; the anxious response of the samurai; the cat-and-mouse game that ensued; the protracted negotiations; and the eventual agreement signed on March 31st, 1854, as the
Treaty of Kanagawa. Historically accurate and with an easy-to-read visual format, Black Ships conveys the personalities of the key figures in the drama: on one side, Commodore Perry and his captains, and on the other, Shoqunate officials Abe Masahiro and Hayashi Akira. Wilson and Shimojima vividly capture the atmosphere of threat and change
that pervaded Japan during Bakumatsu, the final years of the Edo period, as the feudal Tokugawa shogunate took its last breaths and gave way to the new Meiji government."Boxers & Saints Boxed Set*Free study and teacher's guides for this are the feudal Tokugawa shogunate took its last breaths and gave way to the new Meiji government."Boxer Rebellion in China, 1899-1901, graphic novel setNote: Violence is portrayed in a graphic novel setNote: V
book are linked in the schedule. Boxers (the first book) is available to check out for free via openlibrary.org. Click here. A New York Times bestsellerWinner of the Los Angeles Times Book Prize for Young Adult Literature"In two volumes, Boxers & Saints tells two parallel stories. The first is of Little Bao, a Chinese peasant boy whose village is abused
and plundered by Westerners claiming the role of missionaries. Little Bao, inspired by visions of the Chinese gods, joins a violent uprising against the Western interlopers. Against all odds, their grassroots rebellion is successful. But in the second volume, Yang lays out the opposite side of the conflict. A girl whose village has no place for her is taken in
by Christian missionaries and finds, for the first time, a home with them. As the Boxer Rebellion gains momentum, Vibiana must decide whether to abandon her Christianity. Boxers & Saints is one of the most ambitious graphic novels First Second has ever published. It offers a penetrating insight into not
only one of the most controversial episodes of modern Chinese history, but into the very core of our human nature."World War I, nonfictionNote: This book contains: violenceMiddle school option: Treaties, Trenches, Mud, and Blood (A World War I, nonfictionNote: This book contains: violenceMiddle school option: Treaties, Trenches, Mud, and Blood (A World War I, nonfictionNote: This book contains: violenceMiddle school option: Treaties, Trenches, Mud, and Blood (A World War I, nonfictionNote: This book contains: violenceMiddle school option: Treaties, Trenches, Mud, and Blood (A World War I, nonfictionNote: This book contains: violenceMiddle school option: Treaties, Trenches, Mud, and Blood (A World War I, nonfictionNote: This book contains: violenceMiddle school option: Treaties, Trenches, Mud, and Blood (A World War I) and the properties of the pr
HistoryLook inside this book here (click on the thumbnails). "World War I: The Definitive Visual History takes you from the assassination of Archduke Franz Ferdinand to the Treaty of Versailles. Each chapter begins with a map and visual timeline to set the scene for the events to follow, highlighting when, where, and why things happened and
changed history as they did. This is an engaging and visually stunning guide for anyone interested in learning more about the First World War 2, nonfictionThis book contains: violenceGuts & Glory: World War II*A free educator's guide for this book is linked in the
schedule. The Guts and Glory books were written for kids and reluctant readers but are meaty enough that even adults and learned from them. I concur with the multitude of reviews - these are entertaining books that help students (and even adults) retain what they are reading. I've scheduled in the one for World War II
to help students get through this difficult topic with a minimum of effort. Choose one of the following two books: Option 1 is a harrowing, yet profound book. This is my #1 recommendation of the Holocaust books I've read for this age group, it's
one of the most detailed. Option 2 is probably more appropriate if you are using this program with a middle schooler or sensitive student. Option: 1A Light in the Darkness: Janusz Korczak, His Orphans, and the Holocaust1920s-1940s, Poland and Germany, nonfictionNote: This book mentions graphic violence and sensitive subjects. From National
Book Award Finalist Albert Marrin comes the moving story of Janusz Korczak, the heroic Polish Jewish doctor who devoted his life to children, perishing with them in the Holocaust. This is not just a book about Korczak, it's also about the Warsaw Ghetto, the Warsaw Ghetto Uprising, the Holocaust. This is not just a book about Korczak, it's also about the Warsaw Ghetto, the Warsaw Ghetto Uprising, the Holocaust. This is not just a book about Korczak, it's also about the Warsaw Ghetto, the Warsaw Ghetto Uprising, the Holocaust. This is not just a book about the Warsaw Ghetto Uprising the Warsaw Ghetto Uprising
Hitler, and more. I like how primary source poems and songs are woven into the narrative. Option: 2Hitler Youth: Growing Up in Hitler's Shadow1920s-1940s, Germany, nonfictionThis book is available to check out for free via openlibrary.org. Click here. Note: This book mentions violence and sensitive subjects. "In this Newbery Honor and Sibert
Honor award-winning book, Susan Campbell Bartoletti explores the riveting and often chilling story of Germany's powerful Hitler Youth. It would become the largest youth group in history. Susan Campbell Bartoletti explores how Hitler Youth.
gained the loyalty, trust, and passion of so many of Germany's young people. Her research includes telling interviews with surviving Hitler Youth members. "I begin with the young. We older ones are used up . . . But my magnificent youngsters! Look at these men and boys! What material! With them, I can create a new world." — Adolf Hitler,
 Nuremberg 1933"I wanted a book that covered less known WW2 topics, so I chose these. Choose one of the following four books: Option 1: World War II, Korea, fiction When My Name Was Keoko*A free study guide and a free teacher's guide for this book are linked in the schedule. "Sun-hee and her older brother, Tae-yul, live in Korea with their parents
Because Korea is under Japanese occupation, the children study Japanese and speak it at school. Their own language, their flag, the folktales Uncle tells them—even their names—are all part of the Korean subjects to fight on
their side. But the greatest shock of all comes when Tae-yul enlists in the Japanese army in an attempt to protect Uncle, who is suspected of aiding the Korean resistance. Sun-hee stays behind, entrusted with the life-and-death secrets of a family at war."Option 2:World War II, rural Manchuria, novel-in-verse (fiction)Under the Broken Sky"A
beautifully told, award-winning novel-in-verse about a Japanese orphan's experience in occupied rural Manchuria during World War II.Twelve-year-old Natsu and her family live a quiet farm life in Manchuria, near the border of the Soviet Union. But the life they've known begins to unravel when her father is recruited to the Japanese army, and Natsu
and her little sister, Asa, are left orphaned and destitute. Literary and historically insightful, this is one of the great untold stories of WWII." Option 3:Between Shades of GrayAlternate: Between Shades of GrayAlternate: Between
death, and sexual content (a girl's breast is grabbed, and it is known that a woman is prostituting herself to save her son's life) *A free reader's guide (with discussion questions) is included at the end of the book. We also link to a free educator's guide in the schedule. "Fifteen-year-old Lina is a Lithuanian girl living an ordinary life — until Soviet
officers invade her home and tear her family apart. Separated from her father and forced onto a crowded train, Lina, her mother, and her young brother make their way to a Siberian work camp, where they are forced to fight for their lives. Lina finds solace in her art, documenting these events by drawing. Risking everything, she imbeds clues in her
drawings of their location and secretly passes them along, hoping her drawings will make their way to her father's prison camp. But will strength, love, and hope be enough for Lina and her family to survive?"Option 4:This is my favorite of the 4 books. Salt to the Sea WW2, fiction based on real eventsNote: This book contains: violence, death*A free
study quide is linked to in the schedule. "Winter 1945. WWII. Four refugees. Four stories. Each one hunted, and haunted, by tragedy, lies, war. As thousands desperately flock to the coast in the midst of a Soviet advance, four paths converge, vying for passage aboard the Wilhelm Gustloff, a ship that promises
 safety and freedom. But not all promises can be kept . . ."Choose one of the following two options:Option 1:A Time of Fear: America in the Era of Red Scares and Cold War, nonfictionNote: There is cursing (via quotes of famous figures) and violence (including factual descriptions of torture and/or killing) in this book. Rape is mentioned, but
not described. The persecution of homosexuals is mentioned in the chapter about McCarthyism. This is a book about America, no power-and no threat-loomed larger than the communist superpower of the Soviet Union. America saw in the dreams
of the Soviet Union the overthrow of the US government, and the end of democracy and freedom. Meanwhile, the Communist Party of the United States attempted to use deep economic and racial disparities in American culture to win over members and sympathizers. From the miscarriage of justice in the Scotsboro Boys case, to the tragedy of the
Rosenbergs to the theatrics of the Hollywood Ten to the menace of the Joseph McCarthy and his war hearings, Albert Marrin examines a unique time in American history...and explores both how some Americans were lured by the ideals of communism without understanding its reality and how fear of communist infiltration at times caused us to
undermine our most deeply held values. The questions he raises ask: What is worth fighting for? And what are you willing to sacrifice to keep it?"Option 2:Cold War Correspondent (Nathan Hale's Hazardous Tales #11): A Korean War, graphic novell love all the Nathan Hale books, and I'm an adult. Many of our customers have shared
 that their teens are a fan of this series as well. "In 1950, Marguerite Higgins (1920-1966) was made bureau chief of the Far East Asia desk for the New York Herald Tribune. Tensions were high on the Korean army crossed the border with
 Soviet tanks, it was war. Marguerite was there when the Communists captured Seoul. She fled with the refugees heading south, but when the bridges were blown over the Han River, she was trapped in enemy territory. Her eyewitness account of the invasion was a newspaper smash hit. She risked her life in one dangerous situation after anot
for the sake of good story. Then she was told that women didn't belong on the frontlines. The United States Army officially ordered her out of Korea. She appealed to General Douglas MacArthur, and he personally lifted the ban on female war correspondents, which allowed her the chance to report on many of the major events of the Korean
War. "1940s - 1970s, Balkans, graphic novel, biographyNote: This book features violence, a small bit of cursing, a mention of domestic violence, nudity of young male children on a page about Jasenovac (a system of detention and concentration camps), a boy hurting an animal. Fatherland: A Family History New York Times BestsellerAn NPR Best Book
of the YearA New York Times Book Review Editors' Choice SelectionWinner of the Doug Wright Award for Best BookShortlisted for the PACA Literary Award' heartfelt and extremely absorbing examination of exile, reconciliation and destructive politics...as vividly immediate as any headline."—Rachel Cooke, GuardianStanding alongside Marjane
Satrapi's Persepolis and Joe Sacco's Palestine, Nina Bunjevac's Fatherland renders the searing history of the Balkans in the twentieth century through the experiences of the author and her family. Nina Bunjevac provides a sweeping account of the former Yugoslavia under Fascism and Communism, telling an unforgettable true story of how the scars
of history are borne by family and nation alike."Choose one of the following two options:Option 1: First They Killed My Father: A Daughter of Cambodia Remembers1970s, Cambodia, memoirThis book is available on Scribd. Click here (get 60 days for free when you join via our link). It's also available to check out for free on Hoopla. Check if your
library has a free subscription. Note: This is an intense and emotional book with some adult content (an attempted but unsuccessful rape on p. 180 where the character mentions the soldier's penis), infrequent cursing, and violence.*A free teacher's guide for this book is linked in the schedule. "From a childhood survivor of the Cambodian genocide
under the regime of Pol Pot, this is a riveting narrative of war crimes and desperate actions, the unnerving strength of a small girl and her family, and their triumph of spirit. One of seven children of a high-ranking government official, Loung Ung lived a privileged life in the Cambodian capital of Phnom Penh until the age of five. Then, in April 1975,
Pol Pot's Khmer Rouge army stormed into the city, forcing Ung's family to flee and, eventually, to disperse. Loung was trained as a child soldier in a work camp for orphans, her siblings were sent to labor camps, and those who survived the horrors would not be reunited until the Khmer Rouge was destroyed. Harrowing yet hopeful, Loung's powerful
story is an unforgettable account of a family shaken and shattered, yet miraculously sustained by courage and love in the face of unspeakable brutality." Option 2:Red Scarf Girl 1966, China, Cultural Revolution, autobiographyThis book is available on Scribd. Click here (get 60 days for free when you join via our link). It's also available to check out for
free on Hoopla. Check if your library has a free subscription. You can also check it for free via openlibrary.org. Click here. Note: This book is linked in the schedule. "It's 1966, and twelve-year-old Ji-li Jiang has everything a girl could want:
brains, popularity, and a bright future in Communist China. But it's also the year that China's leader, Mao Ze-dong, launches the Cultural Revolution—and Ji-li's world begins to fall apart. Written in an accessible and engaging style, this page-turning, honest, and deeply personal autobiography will appeal to readers of all ages". There are many
teacher's guides online for this book. Click here for one. Saigon, early 1960s, graphic novel (autobiography/true story) Note: There is a 2nd novel that follows this one (which is NOT scheduled): Saigon Calling: London 1963-75. If your student wants to read it,
preview for some sexual content (a young man's room has centerfolds taped to the wall), drug use (a teen smokes pot), and violence (including a suicide), etc. Middle school substitution: Cracker!: The Best Dog in VietnamSuch a Lovely Little War: Saigon 1961-63This book is available to check out for free on Hoopla. Check if your library has a free
subscription. I thought this book was interesting (and unique) because it's about the beginning of the Vietnam War through the eves of a family living in Vietnam. You get a different perspective than the usual books about this war. "This riveting, beautifully produced graphic memoir tells the story of the early years of the Vietnam war as seen through
the eyes of a young boy named Marco, the son of a Vietnamese diplomat and his French wife. The book opens in America, where the boy's father works for the South Vietnam embassy; there the boy's father works for the South Vietnam embassy; there the boy's father works for the South Vietnam embassy; there the boy's father works for the South Vietnam embassy; there the boy's father works for the South Vietnam embassy; there the boy's father works for the South Vietnam embassy; there the boy's father works for the South Vietnam embassy; there the boy's father works for the South Vietnam embassy; there the boy's father works for the South Vietnam embassy; there the boy's father works for the South Vietnam embassy; there the boy's father works for the South Vietnam embassy; there is a south Vietnam embassy is a south Vietnam e
to Saigon in 1961, where the father becomes Prime Minister Ngo Dinh Diem's personal interpreter; as the growing conflict between North and South intensifies, so does turmoil within Marco's family, as his mother struggles to grapple with bipolar disorder. Visually powerful and emotionally potent, Such a Lovely Little War is both a large-scale and
intimate study of the Vietnam war as seen through the eyes of the Vietnamese: a turbulent national history intertwined with an equally traumatic familial one."1989, China, graphic novel based on a true eventNote: This book contains: violence. Tiananmen 1989: Our Shattered HopesThis book is available to check out for free on Hoopla. Check if your
library has a free subscription. "Follow the story of China's infamous June Fourth Incident—otherwise known as the Tiananmen Square Massacre—from the first-hand account of a young sociology teacher who witnessed it all. Over 30 years ago, on April 15th, 1989, the occupation of Tiananmen Square began. As tens of thousands of students and
concerned Chinese citizens took to the streets demanding political reforms, the fate of China's communist system was unknown. When reports of soldiers marching into Beijing to suppress the protests reverberated across Western airwaves, the world didn't know what to expect. Lun Zhang was just a young sociology teacher then, in charge of
management and safety service for the protests. Now, in this powerful graphic novel, Zhang pairs with French journalist and Asia specialist Adrien Gombeaud and artist Ameziane, to share his unvarnished memory of this crucial moment in world history for the first time. Providing comprehensive coverage of the 1989 protests that ended in bloodshed
and drew global scrutiny, Zhang includes context for these explosive events, sympathetically depicting a world of discontented, idealistic, activist Chinese administrators. Describing how the hope of a generation was shattered
when authorities opened fire on protestors and bystanders, Tiananmen 1989 shows the way in which contemporary China shaped itself." Materials for Optional Projects in the supply section of the printable schedule to determine if you need any of the following (based on what you/your student would like to do). This
list does NOT include all necessary supplies for projects. See the printable supply list that comes with the curriculum for additional supplies. Craft sticks1/4 inch square dowelsWaterproof Indian inkTempera cakes (not the tempera paint in tubes) Charcoal pencilsEmmer flourAir dry clayChoose a mosaic kit that appeals to your student. Drawing

Instructions) Electronic Resources Note: These items are TOTALLY optional. We understand that some families may not allow their children to play electronic games for various reasons. Just skip the related assignments in the schedule, if this is the case. Optional: Minecraft Egyptian Mythology Mash-up(Purchase via the Minecraft Marketplace.) This
is for an optional assignment. You need the Minecraft base game for it to work. Other fun Minecraft add-ons you may want to consider: Free: Mount Olympus (by Razzleberries) Free: Gendry's Tavern (by Fall Studios) Greek Mythology Mash-Up (by Minecraft) Chinese Mythology Mash-Up (by Minecraft) Chinese Mythology Mash-Up (by Fall Studios) Greek Mythology Mash-Up (by Fall Studios) Greek Mythology Mash-Up (by Minecraft) Chinese Mythology Mash-Up (by Fall Studios) Greek Mythology Mash-Up (by Fall Studios) Greek Mythology Mash-Up (by Minecraft) Chinese Mythology Mash-Up (by Minecraft) Greek Mythology Mas
(by Minecraft) UNSCHEDULED: Sid Meier's Civilization VIAvailable for PC, Switch, Xbox, Playstation, etc. "Originally created by legendary game in which you attempt to build an empire to stand the test of time. Explore a new land, research technology, conquer your enemies, and go head
to-head with history's most renowned leaders as you attempt to build the greatest civilization the world has ever known." Scheduled VideosThis list doesn't include the free videos, movies, and documentaries linked in the schedule (full-length History Channel, National Geographic, and other documentaries, along with shorter YouTube videos). The
following videos are videos you may need to pay for, in order to view/stream them. Optional, Unscheduled and/or Substitution Books as well as how to schedule them are included in the printable schedule. Even though these are unscheduled books, the schedule will have some linked resources
(like free teacher's guides, writing assignments, literary techniques, vocabulary, supporting activities, etc.) for some of the book choices, so you can incorporate them in your language arts studies, if desired. Unscheduled Videos Quote for Candide from:
